

Cataracts?

You should have **Laser Assisted Bladeless** Cataract Surgery. Come in for a free lunch seminar about this **NEW** and **EXCITING** procedure in our Oak Lawn office or Orland Park office.

Call for details

INTRODUCING: LASER CATARACT SURGERY

With Laser Assisted Cataract Surgery there is no more use of a physical blade like with traditional cataract surgery. Instead a laser is used to make the incisions which allows the doctor to plan and perform the surgery with laser precision.

Call (708) 794-0277 Now

For FREE Consultation!

Operators standing by until 9pm.
